Dear Joe:

Thank you very much for your letter of the 21st which I received yesterday.

You are obviously now ready for Regional status and it gives me great pleasure to officially charter your group as the Nebraska Region, Sports Car Club of America.

Please accept this letter as official notification of the chartering of your Region.

I would greatly appreciate it if you would send me a copy of your By-Laws and Certificate of Incorporation from the State of Nebraska.

Please extend to all your members my sincere congratulations and best wishes for every possible success on behalf of the Officers and Members of the S.C.C.A.

Cordially yours,

G. Wm. Fleming
