

**NEBRASKA REGION,
SPORTS CAR CLUB OF AMERICA, INC.**

NEWS LETTER

Published May 1954

Yes! It's finally here. It's the Nebraska Region, Sports Car Club of America, Inc. News has just come from the national office that we have been officially chartered as the Nebraska Region. To those of you who were unable to attend the organizational meetings, we extend an invitation to join the Region and to take part in the activities and events that are scheduled for the future. The club has been incorporated, officers have been elected, by-laws have been adopted and we are now open for business.

As a matter of information, each Region is operated independently of the National Club. Each has its own officers, rules and regulations, and events. And Oh Yes! DUES! Dues have been established at \$5.00 per year. If you haven't submitted as yet, make your check payable to the Nebraska Region, SCCA and send it to our beloved Treasurer, "Red" Bollinger. Remember! If you don't pay your dues, you don't get the goodies.

Future events include a Rally and barbecue on June 12th to which all members are invited. Entry blanks will be out shortly and we urge you to get them in as soon as possible. The plans for the Rally are being made by Rolly Styskal and he has assured us that a navigator will be most helpful!

June 20th will see the running of the 2nd Offutt Rally. Plans are shaping up for a full weekend of fun and events. Enthusiasts will be coming in from all of the surrounding Regions so be sure to be there. A great time should be had by all.

History now, is the Iowa City Sports Car Races which were held on May 1st and 2nd. Congrats are due to our own Loyal Katskee who paddled his modified Jag roadster to a win in the 4th race. Still undaunted by the downpour, he tooled his "C" Jag to an overall win in the 7th and feature race of the day.

Other entrants from our Region were Joe Mayer and Sandy Downs who drove in the under 1500 cc. races. Sandy had a bit of hard luck in the 3rd race when his brakes locked and he went out on the 8th lap. We are indeed grateful to the members of the Iowa Region who really put on a good show. Thanks go also to the many enthusiasts, some 10 carloads of them, who braved wind, rain, snow, and fog, to make the trip over and give moral support to the competitors. .

See you the 12th !!!
