Nebraska Region
August 15, 1956

N E W S L E T T E R

1. NEXT EVENT - Much to the disappointment of everyone, facilities for a regional race are unavailable. Therefore, August's activity will be a regularity run, to commence at a point to be announced later. The date will be Sunday, August 26. Mark your calendar now, and plan to attend. More information will be forthcoming, directly from Chairman Joe Mayer.
2. RESULTS OF JULY RALLY - The Scrambled Rally, Ralph Miller, Chairman, took place Sunday, July 29, 1956, and started from Wahoo. The results were as follows:

H. L. Jones	Richard Johnson
Fred Geschwender	Don Stacy
Paul Kline	Joe Mayer
Rolly Styskal	Clyde Bourgeois
Dr. Paul Reichstadt	John Buchanan
Sandy Downs	Darrel Mahnke
Richard May	Warren Limpach
George Tobias	George Gunther
Dick Clark	

B. D. Super and Richard Ferguson were navigators for Rolly Styskal and Don Stacy, respectively.

James Little and A. R. Fortney assisted in staging the rally.

3. NEW COMPETITION CAR IN THE REGION - Recently, Frank Manley, a transfer to the Nebraska Region from California, drove a Le Mans D B Panhard to Lincoln from the west coast. From all reports all went well, aside from the natural effects of continual exposure to the elements. The class H modified car should make its first competition appearance in the midwest at Stillwater, Oklahoma.

Incidentally, by that time also, Jim Loyd should have a car of the same general design. More details on this one will appear later.

4. ACTIVITY POINT SYSTEM - Each member receives 10 points for attendance at an event. Additional points are awarded for finishing positions in each class, under and over 1500 cc., for those events where the cars are run in classes. In events where classes are not divided, points are awarded on the basis of over all performance.

Your editors recognize that any directory is obsolete at the time it is published, but hope that too many members won't move too fast, and that by furnishing everyone with this list, a service will have been done for the region. Where else can chairmen for the year's coming events find a ready-made list of prospective committeemen so easily?

Also, if there are any errors in any of the names or addresses, please let us know at once, so all of the region's records can be corrected.

Till Sunday, August 26th, then --

Cheers --
