FEBRUARY NEBRASKA SCCA EVENT

Hearts and Flowers Rally

16 February, 1958 -- 1:00 P.M. -- Countryside Village Omaha

John Carter and Mike Lemmers, co-chairmen of the event, issue the following statement:

"This rally is not designed for the faint-of-heart or wall flowers. You will need a full complement of rally equipment including snow shoes - overshoes - mud shoes - tow chains - tire chains - compass - stop watch - and a good strong-hearted navigator." February 23 is the snow date. If there is any doubt about the event being run, call Carter (RE. 8906) or Lemmers (RE. 8177) in Omaha. In Lincoln, Sandy Downs (4-0182) or Ray Petersen (4-4420) will have the latest information.

GYMKHANA JANUARY 1958

The first event of the new calendar should probably be re-named the "O, What A Day" for the annals, 'cause it was indeed! There were 40 entries and an equal number of styles in Sunday's Lincoln AFB outing. The drivers motored the courses with grim determination (and in a few cases with what seemed like gay abandon).

Not a one of the six gals entered completed the second course without an error. So there may be some basis for the "women driver" stories. However, they turned in some pretty fair times (beating their male competitors on several occasions), so we certainly feel they acquitted themselves nobly.

A very special vote of thanks to Col. Bob Fortney and his committee - those stalwarts, whom we trust are completely thawed out by this time.

Hope you all got at least a look at the "new look" in trophies.

February 16th we get back to a day of rallying. J. Cartez and M. Lemmers promise us a good "go." So we'll see you all then.

MANIFOLD MUTTERINGS

The John Carters announce the birth of a son (Dec. 23), the acquisition of a new house and a new Porsche. (Listed in the order of importance, I assume, John?) Congratulations on all three!

A. J. Roy's new, white, fuel-injected Corvette is getting lots of attention. Lovely, lovely!

Mary Barnes and Bill Fahlgren made a round-about announcement of their wedding when we received the request to transfer their membership to the Delta Region at Biloxi, Miss. What a wonderful part of the country for honeymooning! Our very heartiest congratulations and best wishes to you.

Gene Covell and Jag ran into difficulties in Fontenelle Park last week. The Jag's bumps and bruises were quite severe, but we're glad to be able to report that Gene's injuries were minor. Accidents are just no darn good. Sorry to hear about yours, Gene.

John Mason has sold his MG TF and was seen at the gymkhana driving the English Ford Squire which provided the Masons transportation on their recent European motor tour.
