FEBRUARY GYMKHANNA

Clude "LeMans Start" Versley, ably assisted by Dave Hollenbaugh and "Benny" Bensen, has planned a frost-bite gymkhanna to take place at 1:00 p.m. Sunday, February 15. Clyde, being a military man, has been able to obtain for our use the parking lots located at 9th and "K" Streets on the Lincoln Air Force Base. You will be able to enter the base from either gate. Air policemen will be able to direct you to the site from the gates. An award dinner will follow at the Compass Room of the Lincoln Airport Terminal.

JANUARY'S STRAIGHT TIME AND DISTANCE RALLY

Thirty-three cars participated in the first event of the new year and indeed, what a fine event it was! Co-chairmen Mike Lemmers, Will Mead, Don Stroy, and Bill Jurgensen are to be commended for their well-planned Straight Time and Distance Rally. The Rally intended to simulate as near as possible the conditions one would run into on a National Rally. These included: numerous speed changes, hidden checkpoints, odometer corrections and precise timing to WWV. Everyone seemed very well pleased with this type of rallying so several more are planned in the near future. The results were as follows:

CLASSIFIED

Ace Langworthy, being a MG man, has a new Twin-Cam coming. Therefore, he would like to find a warm garage for his old "A". (red, 11,000 miles, heater, tonneau, sliding side curtains). Anyone interested should call Ace at Jackson 4140 in Omaha --- I know where there are four well used 5:60x15 tyres. Anyone needing same should contact Mike Lemmers.
