THIS MONTH'S EVENT

The Nebraska Region members have been invited by The Center, a large shopping center in Omaha, located at So. 42 St. and Center St. (Hiway 38), to put on a gymkhanna this coming Saturday May 16th.

The Center will be sponsoring a week-long foreign and sports car show and we will close the show by giving a demonstration of our driving ability. Chairman Ralph Miller has a course laid out that will no doubt tax this ability.

The gymkhanna will start at three o'clock and should be over a little after five. A cocktail party and the trophy presentation will be held at The Center immediately following the running of the last car. There will be no entry fee as the trophies have been donated, however, you must pay for your own cocktails.
