### Continental Divide Rally

An early fall snow storm making for treacherous mountain passes failed to stop four hale and hearty rally enthusiasts from the Nebraska Region who competed in this year's running of the Continental Divide Rally. Mike Lemmers finished 7th and Carl Ethal finished 12th. Bill Jurgenson and Don Stroy were a little further back in the pack of the 68 cars that were entered.

### This Month's Event

A gymkhanna of such a size and length never before seen here in the Nebraska Region will be held Sunday afternoon at 1:00, October 18. Doc Bill Jurgenson, Chairman of this event, has secured for our use a large parking lot located at 84th and Grover Streets in Omaha. Grover Street lies between Center Street (Hiway 38) and "Q" Street (Hiway 31). Center Street is at the present time blocked at 105th Street.
