JANUARY EVENT

The opening event of the new year will be a rocketless rocket run. Registration will start at 7:30 p.m., Saturday night, January 16, 1960. The place is Tate's (8 miles south of Lincoln on U.S. 77 across the highway from the Turnpike Dance Hall.) The fun begins at 8:00 p.m. and Jerry Tubbs promises to throw us a few curves. Please be on time.

DUES

1960 dues are payable now. Don't forget to pay
National dues first.

ADS

The Exhaust Notes will take any ads for sports cars, wanted or for sale, or for parts, wanted, for sale or to swap, from any Nebraska region member. Please address to:

George Gunther
3402 North 69th St.
Omaha 4, Nebraska

ANNUAL MEETING

The annual meeting of the region was held at Angelo's Studio Inn, in Omaha on Saturday evening, December 19, 1959.

A steak dinner and some very exciting movies were enjoyed by all. The yearly trophies and activity awards were presented and a short business meeting was held. The new regional officers were installed. (They are listed on the front page of the Exhaust Notes.)

From the final activity points table you can see who won the dash plaques. The region awards these for positions 1 thru 10.

The Powder Puff trophy was won by Rosie Mayer.

The Woody Dunn Memorial trophy was won by Mike Lemmers and Will Mead for their work done on this year's Golden Rod Rally.

The Joe Mayer trophy was won by Mike Lemmers for being the outstanding driver in the region during the past year.

The Activities trophy went to Mike Lemmers who once again finished the season ahead of all other members of the region in activity points.

The Dash plaques for the workers and the participants in the Golden Rod Rally were awarded. Congratulations to all who worked so hard to make the rally a success.

At the business portion of the meeting a new activity point system was explained by Tony Andersen. It will be tried for a few events and if found to be workable, will be used after approval of the officers.

The treasurer's report was given and testifies to the fact that we're still solvent.

The Golden Rod Rally will be given National sanction this year. Will Mead will again be chairman and anyone wishing to volunteer his or her services should contact Will.

And last, but by no means least; from all indications at this time, the region will have a race this year. More on this later.

NATIONAL CHAMPIONSHIP POINTS 1959

Only two members of the region earned any points for racing in National events this year. Gene Smiley and George Gunther both wound up with 6 points apiece in D prod. and C prod. respectively. Congratulations, Gene!

MAILING LIST

This issue of the Exhaust Notes and the February issue will be mailed to all 1959 and 1960 members. However, as of March 1, 1960 all 1959 members who have not renewed as of that date, will be dropped from the mailing list.
