### MAY GYMKANA

Over 40 people ran the May Gymkana so 2 non-trophy winning members are given a free ride for the June event. They are - Sy Weisinger and John Nelson. Their names were drawn from a hat.

The Gymkana was run at a five decker parking lot in Lincoln and the spark plug bit was real. I am told that finding your own parking stalls, getting playing cards out of boxes and returning them, also potatoes, driving in circles blindfolded, and drinking pop like crazy is very time consuming. Also retrieving spark plugs from downstairs and then changing one ste up the clock. A ball was had by all and if you don't know what I'm talking about you should have been there. The turnout was good for this event and the food afterward was delicious. Much thanks and credit is due Marv Chesler and Carl Bok for a real great event.

## JUNE EVENT

The June event will be a numbers run. This (I am told) will be similar to a hays and hounds. It will start at Linoma Beach at 7:00 P.M. on June 11. Registration will be from 6:30 to 7:00 P.M. Bring your own picnic lunches. The club will supply the liquid refreshment. Jerry and Jane Tubbs are chairmen of this run.

## RESULTS OF THE MAY MEETING

The point system now in use was approved. It was also agreed that members competing out of the region in an S.C.C.A. event on a day when the region was putting on an event would receive attendance points for that event.

The Grand Island race has been shifted from Grand Island to Fairmont, Nebr. Still no solid date but looks like August or September.

The new activities director is Jerry Tubbs with John Porter as assistant acting director. Tony and Alice Andersen, it seems, are moving to New York. We will all miss Tony and Alice, who have contributed much to the region. Bon Voyage and Good Luck!

Joe and Rosie Mayer also are leaving the region. It seems Western Electric needs a good man with an Elva in Kansas City. Joe is one of the region's charter members and a very versatile fellow, indeed. Between running rallies, racing, keeping an eye on the novices as contest board member, maintaining an immaculate MG-TD, and raising a family we don't know where he finds the time. We are going to miss his help which the region has grown accustomed to using for so many years. Good Luck, Joe and we'll see you at the races.

There are also other important changes in members in the region but as of now I don't have all the information.

George Gunther has been appointed contest board representative to fill Joe Mayer's place
