GEM-Khana, September 15, 1963.....

Bob Jennings and faithful helpers too numerous to mention, laid out a tight, fast gymkhanna course in the GEM parking lot on this warm windy Sunday afternoon, and lured out of their homes a record of 46 entrants, who buzzed and roared around the Clorox bottles all afternoon. Bob invented a couple of new classes for this event, giving a few more people chances to win trophies. Nobody was given a second chance on entering different classes -- they had to decided what car to run and stick with it. Here are the results:

<u>Place</u>	<u>Driver</u>	<u>Make</u>	<u>Points</u>
1	Mike Lemmers	Porsche	220.5
2	Dale Flesher	Porsche	221.6
3	Bud McMahan	MG-TF	237.9
4	Don Wilson	Sprite	251.0
5	Jack Roll	Carrera	256.3

THE 100% CLUB.....

It's finally dwindled down to the last four holdouts --

Hamp Miller, Mike Lemmers, Carolyn Heaton, John Porter

\* \* \* \* \*

MANIFOLD MUTTERINGS.....

Well, what do you know, we're almost on time again this month. Due to the lateness of the last issue, and the fact that I had both Mike's and Hamp's columns included in that one, I don't have any columns from this quarter this month. Or maybe it's due to the fact that I didn't ask them.

We have several new members in the Club, whose petitions were sent in after August 31, to take advantage of the few months extra membership. Jim Bishop, who has the complete list, made it out of town before I cornered him, so I still don't have all the names and addresses. I know of at least five, and I'm quite sure that there are more than that. Welcome to the Club, those of you who are new members in the last few months, and be sure to come out to the events, as we do have alot of fun.

A good active member, Bill Gilmore, has left the Nebraska Region for Kansas. We're sorry to lose you, Bill, but Kansas isn't so very far away -- come back and visit us.

Congratulations are again in order for a new addition to the Nebraska Region Pit Crew. Don and Lou Hawthorne are the parents of a baby girl, Tracy.

Speaking of Don and Lou, I would like to thank them for taking over the mimeographing of the Notes for me during the past few months. They willingly took on the job when it was more than I could find time for, and have done a lot of work for which they get little thanks. Now that my schedule is pretty much back to normal, our much travelled mimeo machine is returning to home base, but I want Lou and Don to know they were appreciated.

Last time I heard, John Buchanan still held the honor of wearing the gold helmet, which is bestowed upon that member found not to have an application blank in his car. However, I noticed that Buck didn't wear the helmet at the GEM-Khana -- what gives -- are you shirking your duty, or did you pass it on to some other hapless confrere?

John Porter cleaned out the Pot-O-Gold last membership meeting, to the tune of \$13.00. Now we have to start all over. Everybody come to the next meeting so that there will be lots of money in the pot for us to win.

We haven't been getting any reports from Grand Island lately. We did get a flyer on a "Really Unruly Rally" set for September 1, which we could not attend, as we were basking in the sun at Castle Rock and the Labor Day races at CDR. It sounded like fun. Come on, folks, we would like to hear what you are doing 'way out West.

**THE BALLOTS ARE OUT!!!!** Members in good standing have fourteen days from the date of mailing to return their ballots to the Secretary. Ballots must be returned in the enclosed envelope, and the name of the member voting must be carried on the outside of the envelope, or it won't be opened and counted.

We've had a good year this year, but ordinarily the balloting is less than enthusiastic. If you get weak officers next year, it will be because somebody who should have didn't speak up. The nominations are contained on the ballots, but there are places for write in votes too. Vote for those nominated, or vote for somebody else, but **VOTE!!**

Remember that you are voting for a Board of Governors this year, for the first time. Bear in mind that any one of the Board of Governors can be elected by the others as the Regional Executive, or any other officer of the Club. Vote for people who can fill the jobs.

Did you notice in the new Road & Track that they are aware of the emergence of fine racing courses in the Middle-West? Greenwood was among those mentioned. Being so close, this track deserves all the support that the Nebraska Region can muster. We can keep the Middle-West in the news.
