NOTE: ... LEO WASH

Sometime in the next month or so each of you will receive a letter from me assigning you some duties for the year. You can look upon it as an opportunity to volunteer if you want to...It will be a chance to help.

As you participate in events this year -if you do -you will notice that at each point event you will be given a "BEST EVENT OF THE YEAR" ballot. You can fill it out right after the event or later if you want to wait. BUT it has to be in some officers hands by the end of the meeting following the event to get counted.

JOINT ... 8:00 ...

Did your ... arrive late this month? Probably. Don't blame the mail; blame the eternal optimism of your editor who vainly waited till the last possible moment for more material. Alas false hope!

We have some of the most stolen looking pylons I have ever seen. How about a painting party or something to pretty them up and make them look like they all belong to the same club.

If we were real neat we might even paint a few bottles.

The space this is written in is still available for any advertizer that wants to rent it. prices on request.
