PATER CHAPTER

Pat Baker

Last month we received a post card from Jim Lockwood, reading as follows:

"On Sunday, February 26, I broke my leg ice skating. I was in the hospital three weeks with three ydns in my leg holding a spiral fracture of left fibula and spiral and compound fracture of left tibia. I'm still in a cast and will be for some time."

Possibly some of the members who know Jim would like to send him a much belated condolence card. His address is: 5401 Washington Boulevard, Indianapolis, Indiana, 46220.

It has been some time since the following statement was printed in the notes, so I will repeat it again for the benefit of the guests now registered. The Nebraska Region has a policy that a guest may receive the Notes and special mailings for three consecutive months and then he will be dropped and not replaced on the mailing roster for one year. Therefore, if you are a guest, do not be surprised when you receive no more issues. This policy was set up to encourage "Sports Car Fanatics" to become members and not habitual guests.

The Club owes a big vote of thanks to Dennis and Candy McGonigle for taking over the editing of the notes, Pat Woolery for taking over the publishing. We certainly appreciate your cooperation. Yours truly is still doing the typing and mailing so if you have any questions please contact one of these three people. (REMEMBER: The baker's typewriter still hasn't learned how to spell -- if you can't figure it out -- GUESS!!!!!!)

We have three big events coming up in the next three months -- Skelly Keotane Run, June 18 -- Centennial Rallye, July 29 & 30 -- Sunray IX Special, August 20. I am certain that Mike Lemmors, Les Nash, and Mac McDowell could use any help they can get if YOU just offer your services. Don't be bashful -- its your Club and Events only if you participate. AND I don't mean just paying your entry fee and running the event. SOMEONE has to work -- WHY NOT YOU!!!!
