It is with deep regret that we say goodbye to Jerry, Jan, and Lance Kilgore. They have been active Nebraska Region members for many years and we wish them the best of luck in Round Rock, Texas. They will be sadly missed in Nebraska.

# EDITOR'S NOTES

The 1982 Midiv Solo II Run-offs are history. (Thank God!!) We had a total of 117 entries pass through registration and tech (most of which were at 5PM on Friday night - which tech will attest to). I personally want to thank those of you who came out just to have your brains fried and your temper tested, you know who you are. I have several suggestions for those of you who don't know what a hassle it is to put an event on as big as this one. (Most of which can't be printed in anything which is going through the public mail.) Anyway it's over and I believe the entrants had a good time, and after all, that's what it's all about.
