R.E.PORT.....John C. Ely

I am recently returned from MIDIV Convention in Des Moines and thought I would report to the membership on some things current in our region and the division. The Convention was fine but after a sufficient number of beers it becomes awfully difficult to open those damn peanut shells. Above you will find fairly complete schedule of events for this year. Racers please feel free to call myself or the competition chairman, Lynn Knudtson for race schedule. There will be a double National race over Memorial Day at Hutchinson.

As you can see, there are many gaps in our own schedule of events. At least 3 solos and 2 rallies have no assigned chairman.. If you do know how to put on an event please volunteer to do so. Frankly, it's a nuisance to have to chase people down to do these things; and, if you don't want to do these things why are you in the club? It is, after all, a volunteer organization and is only as good as it's volunteers. I urge you to participate and we will have as good a year as I know we can.. Please also consider that we would like to have any extra event during the summer that anyone can think up. Would you like to put on a gimmick rally/ a fun gymkhana/ a party? The club will

support these type of events as well as the more serious points series. I sometimes think we need more low key fun events. After all, wee all do this for the fun of it. Please call Dick Gross, Activities Director with your ideas, 342-5742.

As you may know by now or can easily figure out, this is not a normal issue of the Exhaust Notes. Gary Blessing has moved to Wichita and we are once again without an Editor. Those among you who have always wanted a Pulitzer Prize, Now's your chance! Please call me with your proposal for a newsletter for th region. This is not an easy job but is truly needed and is actually a very satisfying thing to do.

In a later edition of the notes, we will catch up with current and past event results and activities points standings. Please remember I am always willing to listen to complaints or suggestions about our regional activities. I can be reached most evenings at 342-5742. The BOG has authorized printing a N.R.S.C.C.A. directory so soon you will have the means to make contact with all your fellow members.

John C. Ely

Regional Executive

A handwritten signature in black ink, appearing to read 'John C. Ely', with a large, sweeping flourish underneath.
