**Does not count - event master.

PLEASE READ THIS - From the Editor - It is apparent that there have been some problems with registration this year. Since we have a new secretary who will be taking some of the registration at events and the others will be manned totally by volunteers who may or may not know if you are a member, it may become necessary for you to show your National SCCA membership card at registration. We will try to have a current membership list available to whoever is registrar, however, if your name does not appear on that list be prepared to show your card. If your name is not on the list and you have no card, we have no choice but to charge you a guest rate for the event. You might want to take a moment and look for your card now. Two other things - Minors are not allowed to run events without notarized permission from a parent or guardian. We have not enforced this rule in the past but it is nonetheless a rule we would have to live with in a problem situation. The other thing is a member is a member, a spouse of a member does not qualify for member rates unless the spouse is also a member.

The Nebraska Region SCCA meets on the first Thursday of each month at Johnny Sortino's at 79th and L Streets in Omaha. The meetings begin at 8:00 pm but there are usually a few folks who come early to enjoy the good food. The board and officers meetings are held the last Thursday of each month at R. J. Wilson Company located at 2580 South 90th Street (between the V.I.P. Car Wash and the V.I.P. Lounge just north of West Center Road) in Omaha. This is strictly a business meeting but members are welcome to attend. The meetings begin at 8:00 pm. Exhaust Notes is a publication of Nebraska Region SCCA. Please send all articles, etc. to - Ellen Doctor - 10753 Spring - Omaha, Nebraska 68124.
